

# NOTICE OF AVAILABILITY AND PUBLIC HEARING FOR BORDER HIGHWAY CONNECTOR (CN E100390)

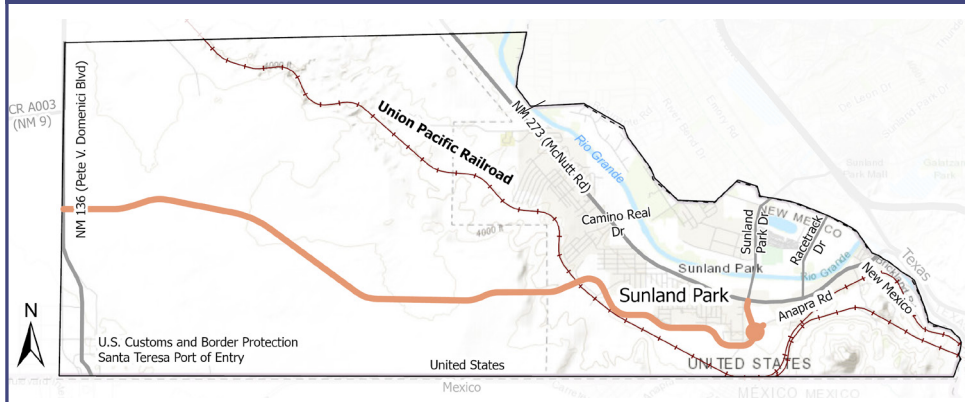

The New Mexico Border Authority (NMBA), in coordination with the New Mexico Department of Transportation (NMDOT), has released a draft **Environmental Assessment** to determine the potential effects to the human and natural environment from the proposed Border Highway Connector. This new roadway corridor would connect NM 136 and NM 273, expanding local and regional transportation. This hearing will be an in-person event where you can learn more about the Environmental Assessment, ask questions and provide comments to the team.
