Certificate of Flag Presentation

BILL HARRISON

UNITED STATES NAVY

IN RECOGNITION OF YOUR 102ND BIRTHDAY

In tribute to the American Fighting men killed during the attack on Pearl Harbor, the National ensign is flown daily, 8 a.m. to sunset, from the flagpole mounted to the battleship USS ARIZONA (BB 39).

The battleship, resting in 38 feet of water at the bottom of Pearl Harbor, is no longer in commission. It was stricken from the active list in 1942.

Special permission was granted by the Secretary of the Navy to fly the United States flag over the ship in memory of the brave men killed during the attack on the morning of December 7, 1941.

The United States Flag accompanying this certificate was raised and lowered from this same flagpole on JAN 12, 2024 at 0905.
